New smoking fetish videos added at [Smoking Flicks](#)

We've added two new smoking fetish movies at [Smoking Flicks](#) – the smoking movie streaming and video download site.

First, in a new Random Snaps/Smoke Signals compilation, there are great schoolroom shoots with Anna D., and Tina and Tash; nice smoking-and-pool with Jen C., and smoking while putting on makeup with Sara P.

And we have a strong, no-frills smoking oral sex session, as Angelina (first in lingerie, then topless) smokes all-white after all-white, going down on her boyfriend with smoke flowing from her nose and mouth beautifully, all the way to a messy finish.

Come check them out at [Smoking Flicks](#)
