3/15: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 360 new photos and 22 minutes of smoking fetish video.

In the photo galleries, sultry Jena shows off her mouth and nose exhales and smoke rings, many of them right-at-you; and a naked Adarra smokes and plays with her nipples.

In the video galleries, Maddie and Loretta play pool; Maddie is the only one smoking through half the scene; then she shares with Loretta and finally they each smoke as they shoot. Maddie, of course shows us fantastic snaps, mouth/nose exhales, dangles and double drags; Loretta chips in with nice straightforward style plus some dangles, frenches and snaps. Then blonde Kellie shows off her cheek-hollowing inhales and her power cone exhales, along with snap inhales and smoke rings.
